About Us

We are a leading manufacturer and exporter of step & riser, wooden strips, poster series, and kitchen series. We manufacture high-quality products. We constantly show our commitment to creating tiles on the stairs wall. We use high-technology and latest machinery to curate leading design. We provide the products at the best prices. We have a team of creative designers that work with us as per the latest trends. We are technologically driven products.

You can choose us as we provide a competitive edge for our customers. We provide high-quality products at the best price.

Packaging is quite important for customer service. We aim to use maximum space and weight and reduce the breakages. We are a leading step riser tiles manufacturer that follows international quality standards. The standards are based on carefully curated pallet packing or box packing.

Perfect step for your

Luxurious

life.
